

100% of all donations go directly to the needs of the kids in the Vegas Valley.

The Need Is Great!

Serving Our Kids is a non-profit organization dedicated to feeding and serving the needs of Clark County's Children.

In the Clark County School District there are over 160,000 families signed up for the food programs within their children's schools to provide breakfast and lunch. Over 50% of the children attending elementary school are now in these programs.

We now serve 50 schools with over 2,500 food bags per week to children from kindergarten to fifth grade. Each bag contains 10 items to provide food for the weekend. These items are obtained through donations solicited by volunteers, on food drives, from local stores and through our local schools where students challenge each other and even other schools to have their own food drive to provide for those who are in need.

We are an organization that is volunteer based and utilizes the strength of the community and organizations in partnership with us to get everyone involved in eliminating hunger in our city, one child at a time

Becoming A Volunteer Is Easy!

Simply submit a volunteer application and your name will be added to our Active Volunteer Database (AVD). Please visit our website at servingourkids.org

If you are unable to coordinate your schedule to be involved in the activities listed for volunteering, you may wish to coordinate a **Kid Friendly Food Drive**.

Organizing a **Kid Friendly Food Drive** is easier than you think! *Serving Our Kids Foundation* staff will work with you to ensure a fun and successful drive.

Questions? louise@servingourkids.org

Prep Time

Prep time, Wednesday, involves preparing each station for bagging assembly. Volunteers assist step will gather the inventory from the shelves and sort food items in plastic crates for bagging

Our warehouse environment is casual, and our teens working together get a deep sense of personal accomplishment. Volunteers may be required to do some lifting, bending, walking and counting.

Bagging Assembly

Our bagging assembly takes place Thursday evening at 6:00 and involves volunteers working together assembly line to fill the bags for Friday delivery. a fun, team-building environment.

Often times businesses and groups choose this as a volunteer option with our organization to reach community service goals.

Delivery Day

Delivery day is almost always on a Friday! Volunteers have the opportunity to hand-deliver the week's food to the kids at the schools.

We Are Always Looking For Volunteer Drivers

Provide you with the necessary materials to get you started. Below are a few tips to get started. Food drives can be held through almost any venue, including businesses, groups, and community organizations, etc.

It is helpful to set a goal so everyone works together towards the same goal. A great sense of accomplishment is felt when the goal is met and/or surpassed.

From past experience, we have found that a specific time frame works best, with a start and end date. This helps to keep individual goals and keeps people from procrastinating.

Central collection location — This will eliminate any confusion about how and where to donate.

Competition — Everyone loves to compete! Challenge your group to exceed your goal and it will always be the next time!

Food list accessible — We have a very specific food list for our food drives. There are 10 different items on our list, so it is extremely important that everyone sticks to the list. Due to different allergies, you avoid purchasing items with peanut butter or peanuts.

Meet the need — It is helpful to make sure everyone is aware of why we do what we do. This will keep the momentum going and ever need more information about our foundation, just let us know.
